

# Dual-Spray Swivel Aerators

## OVERVIEW

Niagara Conservation® Dual-Spray Swivel Aerators offer convenience, performance, and efficiency. Featuring two 1.5 GPM spray settings, a powerful needle stream and a splash-free bubble stream, you'll easily wash dishes and hands, blast baked on food from pots and pans, and fill glasses and cookware. You'll also enjoy a convenient 360° swivel that directs water where it's needed most. Integrated Equiforce® Technology ensures consistent performance regardless of your home's water pressure. Select models also include a pause feature for added convenience and efficiency between wash and rinse cycles or when temporarily stepping away from the kitchen faucet.

## FEATURES

- **Dual Spray Modes for Versatile Performance**  
Conveniently choose between a powerful needle spray or a gentle, splash-free bubble flow to match the task at hand.
- **360° Swivel for Full Control**  
Enjoy the convenience and savings of directing water where it's need most.
- **Equiforce® Technology**  
Ensures consistent performance across variable water pressures, helping save up to 6,132 gallons per year.
- **Optional Pause Feature**  
Available on select models, this feature adds convenience and efficiency during wash and rinse cycles or when stepping away from the kitchen faucet.
- **Universal Faucet Fit**  
Dual-threaded design fits standard male (15/16-27) and female (55/64-27) faucets.
- **Built for Durability and Cleanability**  
Chrome-plated ABS housing resists corrosion and buildup; soft rubber nozzles allow for easy decalcification.
